Youth Mission Trip

The Spaghetti Supper for the Youth Mission was a great success. Between the Car Wash, the Spaghetti Supper and the Silent Auction, the Youth Mission Trip group has raised close to 2,000 dollars!! Thank you so much for your support! As a final fundraiser we are offering to send post cards from West Virginia for a donation (suggestion - 2 dollars). One of the members of the Youth Mission Trip will send you a post card from West Virginia and tell you where they saw God that week, and any news. So please, if you would like a post card, see one of the Youth Mission Trip members!

There are nine people going on the trip this year: Joy Erickson, Pastor Ron, Olivia Baker, Sierra Yanaway, Lyrica Yanaway, Rebecca Figueroa, Amanda Figueroa, Bethie Charron, and Jonas Burkhard. We would love your prayers as we go on the Mission Trip from the 27th of July to the 3rd of August.

***First Baptist Church of Mansfield
- Established 1809 -
A Word from the Pastor***

Last week when I was taking my class at Yale Divinity School, I drove to New Haven early one morning and stopped at the Beinecke Rare Book Library to check off an item from my “Hope to do before I die” or “Bucket list. A Gutenberg Bible is on display at the Beinecke, something I have wanted to see for several years. The Bible is in a large glass case that is temperature and light controlled. It is dark inside the case until you walk up to it and then a very dim light comes on. The Bible is in two large volumes which are placed back to back; each one is displayed to an open page.

I could not read the pages because the Bible is written in Latin. The words are in black ink with one or a few words on the page in red. Each page had a capital letter in colored ink with a hand drawn design worked into it. There are 42 lines on each page which is why it is sometimes referred to as the “42 line Bible”. There are no breaks for sentences or paragraphs; the words and lines all run together. It was first printed in the year 1455. Johannes Gutenberg, who lived from 1398 – 1468, made 180 copies, 45 of them were on vellum and 135 were on paper. Today there are only 21 complete copies left. Most of them are owned by University libraries throughout the world. There are 6 copies in the United States.

The Beinecke library has a very cool system that allows you to stand in front of the display case, call a number on your cell phone and listen to a person give a talk about the Bible. In this talk the gentleman mainly spoke about the difference the printing of this Gutenberg Bible made in the world as far as the advancement of books and reading goes.

What I like to think about is the difference the printing of the Gutenberg Bible made in Christianity and in our faith today. One thing it did was to help form a consistent and more stable copy of

the scriptures. It was no longer necessary to hand copy each and every “jot and tittle” which helped make every copy from that point on more uniform and accurate in reproduction.

Eventually, this Bible made owning a copy of the scriptures possible, which led to what I think is the biggest difference. It changed how people encountered and interacted with the Bible. Up until that point the only way for the average person to encounter the Bible was to hear it read when they gathered to worship. A person would be in community with other believers when it was read. They would only hear it once a week or so, and would not be able to see it or read it for themselves. They could only hear it. When they eventually got their own Bible, they could encounter it by reading it at home by themselves.

There is something lost in that change. We are meant to be in community as we experience God and the Bible. We are meant to learn together, and experience God together. I think this is especially difficult in a culture that values and emphasizes the individual, individual rights and individuality so much.

I am very thankful that I am able to have my own copy of the Bible and read it whenever and wherever I want to, but we must not forget how important community is to our own personal faith. I think we were created to need one another. John 14 has Jesus’ longest prayer and in that prayer he prays in verse 23...”may they be brought to complete unity that the world may know that you sent me and have loved them.”

Let’s stay in community and unity in our worship and fellowship and service this summer.

Peace

Board of Deacons

On April 21st we had a deliciously fun time after church. We shared a potluck luncheon with a mission theme. The idea was to shower the **No-Freeze Shelter** with items that they could use and let our neighbors on Spring Hill know how much we appreciate and care about them by sharing some delicious baked goods.

It was a great day. We collected a tableful of items for the Shelter. The items were delivered to the Shelter along with a good number of new towels purchased through the Deacon's fund. We also delivered plates of delicious goodies to our neighbors. Thank you all for your donations.

As we were waiting for the pot luck dishes to heat perfectly, we participated in a getting to know you game. We were each asked to answer two questions: What is something that no one knows about you? and What is something that your mother used to say to you? We had lots of fun listening to the responses and trying to guess whose they were. How would you have answered the questions? Here is a small sampling of some of the responses:

- Karen Peter's mom always said "Lord have mercy."
- Jen Bradshaw carried a CT fishing license

for 10+ years and was an avid fisherman.

- Ethel Larkin grew up on a dairy farm.
- Christina Martin sometimes eats candy for breakfast.
- Ellie Trainors's mother said "clean your plate or no dessert!"
- Sam Sheparson's mom said "always wear clean underwear just in case you get in an accident".
- John Riesen had a cow named Ella when he was in high school'
- Betty Geissler "went with" the minister's son for a few years.
- Pastor Ron dreamed of being a professional baseball player when he was young.
- Ginny Shepardson's mom said "eat the burned toast- it will curl your hair."
- Lena likes to rake leaves.
- Bob Erickson's mom said "everyone has their quirks and phobias."
- Patty Geissler never chews gum because her high school boyfriend told her that she looked like a cow when she chewed gum.
- Pete Bradshaw had an Easter egg hunt in Switzerland.

Deacons of the month: July – Tricia Baker
August – Bob Erickson

Church Family Fun Night

Our Church family Fun Night was held on Friday evening April 19th, starting with a delicious pot luck supper at 6:00 PM, with help from the Social Committee.

Our geographical mission theme for this year was "Japan and Okinawa" which is the area of study focus for the American Baptist Women's Ministries which includes the Emma Gardiner Missionary Society.

Many thanks to Bob Erickson who was our wonderful Master of Ceremonies for the evening, and to all of our fantastic participants for sharing their talents with us. There were about 20 different acts providing entertainment for a great turnout. Thank you one and all.

Grace Riesen

THE FIRST BAPTIST CHURCH OF MANSFIELD
Minutes of the Spring Business Meeting
Sunday, April 28, 2013

OPENING WORSHIP:

Meeting was called to order at: 1:00 PM with Prayer

With 32 members present

Thanks were given to the social committee for their efforts.

Move by Terry Yanaway Second by Jen Bradshaw

Approved

Motion to adjourn made by Terry Yanaway, Second by Jen Bradshaw

Approved.

Respectfully Submitted,
Dana Yanaway, Clerk

Getting To Know Each Other - The Nieh Family

I recently had the opportunity to spend some time talking with Dr. Mu-Ping Nieh and his wife Fei-Wen Lin, who have been coming to our Sunday Worship for some time now. Read on and you will feel closer to them, and see that our Christian faith is powerful and growing around us!

Just the Facts

Dr. Mu-Ping Nieh is an Associate Professor at UCONN, in the Institute of Materials Science. Fei-Wen Lin works at home to raise their children.

They have 4 children:

Ruth is going to UCONN, majoring in Accounting & Music.

Stephen will be in 11th grade next fall at E.O.Smith.

Joyce is starting at E.O. (9th grade)

Grace goes to Annie E. Vinton, and will be in 4th grade.

The Early Years

Mu-Ping and Fei-Wen were both born in Taiwan, and completed undergrad school there. In '91, Mu-Ping came to do graduate work at UMASS, Amherst. In '92, Fei-Wen came there too. While their hometowns are only 5 miles away, they had never met until a month before Fei-Wen's arrival to US. A fateful pick up at the airport triggered the start of a great relationship. Major events from the UMASS years:

They were saved (Mu-Ping in 1991 and Fei-Wen in 1994)!

'94 - They were married at the school

'95 - Their first child, Ruth was born

'97 - Their son Stephen was born

'98 - Mu-Ping achieved his PhD in Chemical Engineering

'95 - Fei-Wen earned her MS in Environmental Science

In '98 they began a 4 year sojourn in the Washington, DC area. Mu-Ping had a post doc at NIST, where he changed his field of research to Material Science. Fei-Wen

stayed at home to handle the important role of taking care of their growing family. In '99 Joyce was born. It was not easy to make it on just a post doc's salary, but they are confident it was worth it to build a strong, stable family.

Somewhere in Canada

In '02, the family moved to Canada (Mu-Ping's parents immigrated to Canada and became Canadian citizen later). Mu-Ping did research at the National Research Council at Chalk River, a facility focused on nuclear energy. Their youngest, Grace was born in '04.

The town they lived in (Chalk River) was small (4000 residents) and remote, to say the least! When you rode your bike through the forest to work, you saw black bears, so you couldn't carry food with you. The bears are smart enough to get into people's homes. Summer in Canada meant allergies, & so many bugs you couldn't go out. Winter meant temperatures in the -30 to -40 range (degrees C or F!) for weeks. But, there were good sides: abundant nature, great skiing, a symphony orchestra, and around 100 clubs (great for the non-working spouses).

Mu-Ping & Fei-Wen used their time to spread the Christian faith. There were 5 Christian churches (they tried Pentecostal, Free Methodist). In '03, a Chinese Fellowship formed. This was a great experience, and there are several families still running the Fellowship. In a small town, everybody knows everybody – They are tied to each other. But after a time, they found that most of the people they could reach out had been exposed to Christ, and were generally saved or had rejected the faith.

Back In the States

This family wants to spread the Gospel to young people. They feel strongly that if you can guide college students to Christ, they can then serve as they grow to be adults (Proverbs

The Nieh Family (Continued from page 6)

22:6). So the Niehs prayed for where to move, to be around students, to help them. And so, in 2010, they came to CT. For Mu-Ping, this meant going from a tenured to a non-tenured position, but it's worth it to allow them to work for God.

There is a local Chinese church and Christian fellowship. It's expanded from 20 to about 50 adults. So blessed, in many ways! Imagine: 200 Chinese students coming here every year. Speak the Gospel to them and give them the experience. They might come to know God. The group witnesses about 10 baptisms per year. They're thinking of moving to a better location, hiring a pastor, and possibly other workers.

The Nieh family helps the Chinese church run Friday fellowship. Then Sundays they come to First Baptist. All the kids play piano: Generally speaking, Chinese churches in normal America lack pianists. Most start with students, whose majors are not music and many of them do not have the training in playing instruments. So, it's hard to find pianists. Since all the Nieh children started playing at 5, when they go out they can help spread the word through their music. Grace plays violin too. They want to be a worship team, so they have been developing it.

Just For Fun

The family likes to take trips in the summer. They visit Mu-Ping's parents in Toronto, and take the kids to amusement parks (roller coasters, wheel!). Each year they go to a different place for their anniversary. They've been to Acadia in ME, NH's White Mountains, Quebec, & other tourist sites. They like to travel around, and can drive far (20 hours to go to Disney!). Kids like going out and seeing things too.

🎵 Music Notes 🎵

Music Ministries Sunday

Thank you to everyone who participated in our Music Ministries Sunday which was held on May 12, 2013. On this special Sunday, recognition is given to those who have participated in our Music Program during the past year. Certificates of participation and tokens of appreciation were presented to members and helpers of the Youth Choir by Director Grace Riesen. Thanks to the Adult Choir was expressed by Director Melissa Rood. Participants in the service included the Adult Choir, Youth Choir, Melissa Rood, Grace Riesen, Allyson Austin, Guy Myette, William Rood, Justin Blackburn, Jessica Figueroa and Pastor Ron. A special Responsive Singing- "Praise to the Lord, the Almighty" was sung by choir and congregation.

Summer Music

Our Church's Music Ministry continues during the summer months while our choirs take a summer break. Please sign up for a Sunday or two to share your musical talents with us. Whether it is singing or playing an instrument as a solo, duet or small group, we appreciate your musical offering. There is a sign-up sheet posted on the bulletin board in the Christian Education hallway.

Soup Kitchen Friday

The First Baptist Church of Mansfield will be serving at the Covenant Soup Kitchen on Valley Street in Willimantic on the following **Fridays: July 19th, August 16th, and September 20th**. If you can help serve please be at the Soup Kitchen at 4:00 pm. We also need help to provide tasty desserts for the evening. If you can provide a dessert please let Pastor Ron or Jill Stedman-Myette know.

Emma Gardiner Missionary Society

Members and friends of the Emma Gardiner Missionary Society enjoyed a delicious lunch and time of fellowship at the Lakeview restaurant in Coventry, Connecticut on Tuesday, May 14.

Thanks to the efforts of the Emma Gardiner Missionary Society and members and friends of the congregation, our White Cross quota for needed items for the South Providence Neighborhood Ministries was met. The following letter of thanks was received:

South Providence Neighborhood Ministries would like to thank the members of the Emma

Gardiner Missionary Society at the First Baptist Church in Mansfield CT for their White Cross Donation. The clients are always thrilled when we are able to provide them with necessary daily items.

It was also nice to see old friends as they dropped off our donation. (Grace's note: Many thanks to Lena and Phil Barry for delivering the donation to Providence).

Again many thanks!

Yvette,

South Providence Neighborhood Ministries"

Grace Riesen

Church Library

It has been determined that there is little interest or need to develop the FBCM library at this time so this summer we will be working on disbanding it. Some youth books will be kept in the Sunday School rooms and through the summer we will be bringing some up to the conference room for review. If you would like to take any at that time, we ask that you consider making a donation to the Sunday School. At the end of Summer we may try to put some out at the tag sale. Some books should probably be kept for historic value and some for future class or Bible Study use. If you would be interested in assisting with this project, please contact Susan Figueroa.

If you think any changes need to be made, please feel free to make them. If I think of any thing that makes a major change, I'll try to send an update.

Thank you,
Susan.

Church Family News

Dave Kloss and Meredith Lindsey are brand new *Grandparents!* Walter William Kloss was born on June 6th at Walter Reed Medical Center in Bethesda, MD to John and Meghan Kloss. Walter weighed 6 pounds 12 ounces and was 19 inches long.

John has moved into his new position with the Coast Guard at Fort Meade in Maryland. I'm not exactly sure of his rank. Proud grandparents are traveling back and forth to visit!

Dave and Meredith also miss their very special church home : FBCM. Very difficult place to replicate! Great singing, great music, great pastor and a great home!

Trustee Report

Thanks to sacrificial giving on the part of many people, our finances are looking better than the last two years. While we still have over half the year to go, undesignated giving through the first 21 weeks of the year is presented below:

Year	Undesignated
2013	\$51,310.00
2012	\$43,549.00
2011	\$39,299.00
2010	\$48,750.00

The Trustees have contracted with Glen Pianka to repair the top portion of the Sanctuary chimney and also to paint the last small portion of the Sanctuary building that Prescott Spencer and Nils Setterberg were not able to do because it required special equipment. The timer on the outside lights is broken and we are working on finding a better solution to controlling the flood lights on the front of the building and on the parking lot side of the sanctuary. Thanks to the Bradshaws for the donation of a couch to use in one of the Sunday school rooms. We very much appreciate the work of Nancy Flynn, Susan Figueroa, and Charlotte Hebert in publishing the Bulletin each week and the Bell Ringer newsletter. Thanks to Grace Riesen our Pianist/Organist and the many others who volunteer their time to provide music for our church service during the summer and throughout the year. Many thanks to all those who help the Church in so many other ways as well.

Finally I would like to point out that we

have a Sanctuary Maintenance Fund. As you look around the interior of our Sanctuary, you will notice many places where the paint is cracked and several places where it is peeling badly. There are also a couple of broken stained glass window diamonds. Because the pews are not able to be moved, scaffolding will have to be set up and taken down repeatedly to work on the ceiling. In addition, it will need to be scraped and then a special coat of material applied to bond the existing paint so that more peeling does not occur as soon as the new paint is put on. All this translates to a very expensive project. The Trustees started the Sanctuary Maintenance Fund in 2012 knowing that we cannot put off this project indefinitely. The fund currently has \$2049 in it thanks to the regular contributions of several people. Please consider contributing to this fund.

John Riesen

Help us get the church ready for Sunday School and all the fall activities.

The **Fall Work Day** will be held on
Saturday, September 7th
from 9:00 to Noon

Plenty of coffee and donuts will be available for volunteers, come and join us as we work together to spruce up the Sunday School rooms, make the sanctuary shine, clean the kitchen, and dust the Conference Room!
